Outdoor Fashion

‘RE-’ uncovers the untold stories of outdoor clothing.
Through the journey of an individual’s clothing, RE- aims to reduce the impractical consumption of outdoor fashion.
This film presents the relationship between a dog and its owner. Using the dog as a metaphor for the jacket, as the dog gets attacked it protects the owner, just like the jacket would.
They are focused on adding story to each piece of clothing rather than replacing it.

We evaluate the use of natural outdoor clothing.
We are focused on adding value to each piece of clothing rather than merely selling it.

Through the journey of an individual’s clothing, we are creating the spiritual atmosphere of outdoor fashion.

Wear it till you wear it out.

RE-

Wear it till you wear it out.

Because it is important we just understand the truth.
Our new generation doesn’t know what it means to wear and value it. Our limited finances in adding the high price of clothing rather than fixing it.
RE-

Wear it out
till you wear it out.

Fixing what is important not just towards clothes.
Our current generation doesn't focus on fixing things but rather, replacing them.
Our brand focuses on adding life to a piece of clothing rather than replacing it.
